BAD AUTO ACCIDENT

After going all the way to Munson and returning by auto Mr. and Mrs. Godfrey Carlson and family suffered from a severe smash-up within a few miles from their home on Sunday night about 7.30.

It appears that they were driving along the blind line

going home when suddenly they ran into a stalled car going in the same direction, opposite Mr. Revell's farm. The stalled car, which was being driven by Ernest Hardy, showed no lights of any kind and was right in the track of outgoing cars with the result that Mr. Carlson's car was badly smashed and the oc-

Larger Business

If the business of any retailer in this community is to grow bigger in the years to come, it will not be a matter of accident or due to an increase in population only—it will be the result of intelligence added to energy, plus ADVERTISING.

Wherever you find a big, flourishing business you will find a strong pushing man of indomitable spirit, driven by the power of these 5 words—"I can and I will." This man advertises—he MUST deliver his message to those with ears to hear. Multiplied customers and larger turnovers are absolutely essential to his progress.

A WORD TO THE PUBLIC

Help on the business of those who show themselves eager to have your custom—who invite it and prize it enough to ask for it. Shop where you receive the best service, values, and goods. Reward with your favor those who solicit your favor by messages addressed to you each week in our advertising columns.

Chautauqua Coming

Within a few days the regular yearly three-day entertainment—the Chautauqua that organization which brings to the people the best in entertainment, will be here again for three days.

The program this year is fully as good as in former years and the lecturers come with messages that are of vital importance to the public. The musical numbers also promise a great deal of enjoyment.

"Corner Stones of Character," the lecture given by J. C. Herbsman is a powerful plea for simplicity, sympathy and service.

Dr. D. A. Carpenter lectures on the "Energy of the Universe" and "The Nearness of God" and is so interesting that the Chautauqua has been delighted with requests for his return.

"The Power of Song" by D. L. Fitzpatrick is a powerful lecture with humor intermixed.

Then in the musical numbers there is Harry D. Newcomb, Canadian banjoist; Marks, Canadian violinist; Guy Mariner, New Zealand pianist; the Going-Epperson-Bell Co., musicians and entertainers, and the Berkeley Sextette, musicians.

Altogether these artists make up a program that should not be missed by many woman or child.

The price of season tickets this year is lower than for some years. Season tickets, which include the whole six programs, are \$2.00 if purchased before noon of the opening day, after which they are \$2.50. If you do not purchase a season ticket each performance will cost 75c. So purchase your tickets, which are on sale now, before the opening day.

The guarantee committee, which is composed of a large number of well known citizens of the community, have undertaken to bring this organization here again this year for the benefit of the community and it is hoped that they will receive the support which they deserve.

Don't forget the Chautauqua is here on November 18-20 so get your tickets early.

Curlers Meet for
Business

The Curlers meeting called for last Friday evening was attended by about twenty members. The meeting was called to order at 8.30 when the minutes of the last meeting were read and adopted and the Secretary-Treasurer's report given. A matter of \$15 for repairs to some stones which had been taken to Crossfield by certain of the curlers and had been broken in an accident there, caused considerable discussion. The question arose as to who was responsible for the payment of the damages. It was suggested that as Crossfield had offered to pay the damages they should be billed for it but this of course

RED ROSE TEA "is good tea"

Booril makes you feel splendid

A Bright Outlook

National pride and confidence in Canada should be cultivated by every Canadian citizen whether agriculturist or not, because the more we buy of our own products the more should be found at and have confidence in their country, and those reasons are never more evident than during the period which has elapsed since the war, and as time passes that are becoming clearer and stronger.

For countries in India are, quite so successfully navigated the first two or three years after the Armistice. Canada had its financial worries, its industrial depression, its strikes, but these were in every respect less severe than in other countries. In fact, but for several years of repeated crop failures over considerable areas of the prairie provinces, the government of the Dominion would have been in a position to have operated in to increase unemployment and thereby encouraged a feeling of unrest. It is difficult to imagine that Canada's industrial depression and labor unrest would have been very noticeable. The Dominion, however, passed through the first and most difficult year of the post-war reconstruction period with ease, when compared with other countries.

Conditions in Canada are now steadily improving, and our position both nationally and individually is improving. The strength of the Canadian confidence of Canada is shown in our bond position, shared in connection with the recent Conversion Loan of the Federal Government when present holders of maturing Victory Bonds took advantage of the offer to exchange the same for a new issue so generally that practically the full amount was thus received by the Minister of Finance when he notified the public that the amount of capital available had decreased so that more and more were willing to purchase their country's securities to win the war, but they are just as willing to buy such securities in time of peace.

Of all national currencies which went to a heavy discount in the United States during the war, the Canadian dollar was the first to recover and get back to par.

The trade of Canada is steadily expanding, and doing so in the most healthful fashion. That is to say, the marked increase in the total trade of the Dominion is accompanied by an increase in the volume of trade in raw materials, in export trade. Imports are remaining relatively constant or slightly decreasing, thus showing that the Dominion is becoming more and more self-contained and reliant, while its credit rises throughout the world. More and more Canada is attracting capital and drawing gold from other lands, while at the same time it is not obliged to send less money out of the country to meet international obligations.

A wonderful impetus to this movement will undoubtedly result from this year's bumper crop in the West—the largest, it is now said, in the history of the Prairies, and even greater in volume than the record breaking crop of 1914.

The deficit in the operation of the National Railways is steadily decreasing, and while it may take some years yet to place that great system in a position to be self-supporting, the time is not far off when it will be approaching when it will more than earn its operating expenses and leave a margin to apply on capital charges. There is a growing feeling of optimism regarding the road's future.

Building operations throughout the Dominion this year have passed a total record, comparable with some of the best war years, and in all lines of industrial activity there is a marked increase in business and in consequent lessening of unemployment.

Building operations throughout the Dominion this year have passed a total record, comparable with some of the best war years, and in all lines of industrial activity there is a marked increase in business and in consequent lessening of unemployment.

Again from its debt position nothing is better than the fact that the Canadian credit is being held in high esteem among thousands of people who in turn will be admitted to having somewhat distinguished. While the bountiful yields this year are an exception to the rule, they have also demonstrated that the very best years, recently experienced are also an exception. More normal times are ahead, with renewed confidence the Canadian people can go forth with a greater ability and energy, build a prosperous future for themselves and their country.

Estimates Canadian Wheat Yield

Canada's official estimate of wheat

production for 1922 issued by the De-

partment of Agriculture on Aug-

ust 23, 1922, was 26,000,000 bushels, 26,000,-

000 bushels last year. Subse-

quent estimates, it is believed, will

tend to increase these figures consider-

ably as conditions in the wheat grow-

ing areas subsequent to Sept. 1 were

very favorable to heavier yields.

Dye Old Skirt Coat, Dress In Diamond Dyes

Each package of Diamond Dyes contains directions so simple any woman can dye or tint her worn, shabby, dresses, skirts, waist, coats, necks, sweaters, etc., etc., etc. Diamond Dyes—nothing else—will make any garment new again. Baby's Own Tablets are sold by medicine dealers, by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Meeting of Milk Producers

A meeting of the Calgary and district milk producers was held in Calgary last Thursday. Who called the meeting seemed to be uncertain, some of those present asserting that it had been called by the Didsbury and Olds producers, but none of them were in attendance being merely represented in a way by an official of the Glenmore dairy, Calgary. It was reported that the producers of the Bidsbury and Olds district were willing to work with the Calgary producers at the enhanced price

of \$2.40 per hundred. It was pointed out to the meeting that Didsbury and Olds have a perfect right to the Calgary market and in any event they could not be prevented from sending their milk to Calgary.

After some wrangling it was decided that another meeting of all members of the defunct Calgary Milk Producers Association should be held in Calgary on Thursday next and an invitation extended to Didsbury and Olds producers to attend.

NOTICE

Until further notice both Didsbury offices will be closed on Wednesday afternoons. 4p.m.

WEDNESDAY, NOVEMBER 1,

Mr. Lloyd-George, former premier of England, spoke to 5,800 people in Glasgow on Saturday and thousands of his admirers gave him a rousing reception. At this meeting he made a fitting speech the gist of which was that the new government wanted the country to lay down and take things easy while he stood for progress which he considered will have to be made to bring the country out of its present difficulties which was the aftermath of the war. He stated that it was an impossibility to allow the country to take an impulsive course when world conditions and England were in such a chaotic state and called upon his audience to put their country first as they did during war times. He refused to go into personalities during the fight and stated that Bonar Law "was an old friend, his present friend and he sincerely trusted his future friend." The little Welshman then asked what motive caused the present political strife. He could find no difference in principle or a challenge on policy of the old government which was generally a motive for putting a government out of power. But he failed to find any reason so far in Mr. Bonar Law's address excepting that a west-end club decided amongst themselves without consulting anybody else to wind up the government and take it over themselves.

Bad Auto Accident

Continued from page 1
cupants thrown out. Little Lameclod Carlson received a severe blow in the mouth which cut open the upper lip rather badly and if it had not been for a side curtain the baby which was being held by Mrs. Carlson would also likely have been badly injured if not killed. Both Mr. and Mrs. Carlson escaped any injuries but were thoroughly shaken up and suffered from nervous breakdown. They asked the driver of the other car to give them a hand to pull their own car to one side of the road out of the way but was refused

help, in spite of the fact that the driver of this car was to blame in not pulling his car to one side to fix whatever was wrong. There was no rear light burning on the stalled car.

To add to Mr. Carlson's troubles when he went to fetch home his car on Monday morning he found the car stripped of everything movable, some meat thief during the night making a clean-up.

Mr. and Mrs. Carlson had been attending the golden wedding celebration of Mr. and Mrs. M. Olsen, father and mother of Mr. Carlson, of Munson which was held on Friday, and were on their way home when

the accident happened.

W. I. Constituency Conference

The Constituency Conference of Women's Institutes which was held in Didsbury a short time ago was well attended, one hundred ladies being in attendance. Mrs. E. Parker, the Convener presided.

A short session was held in the morning when Mrs. Pearson, President of the Didsbury W. I. welcomed the delegates and Mrs. Boyce of Carslairs, replied, after which a report of the work carried through by each Institute during the year was given and the meeting thrown open for questions.

On a motion by Mrs. Pearson and Mrs. Hosegood adjournment was made and a lunch was served to those present by the Didsbury W. I.

The meeting was again opened in the afternoon. The first item was a paper on "Agriculture" by Mrs. Hosegood, and a lively discussion led by Mrs. Norman Clarke.

A paper "Public Health and Child Welfare" was given by Mrs. R. P. Crosland. The main point of discussion was the advisability of having a nurse visit the schools which had been done at some of the schools last year.

Mrs. Fulton gave a paper on "Education and Better Schools"

and Mrs. P. R. Reed on "Household Economics" which were very interesting and instructive.

Papers on "Immigration, National Events and Canadianization," by Mrs. Robertson; "Legislation," by Mrs. Hugel; "Publicity," by Mrs. Boyce, were all listened to with great interest.

Mrs. McArthur, Convener of Olds constituency, congratulated the Didsbury delegates on the Conference.

A paper on "Recreation" by Mrs. H. H. Hike, the Constituency Director, in which she was very pleased to be present and also at the way the Conference had been conducted, also that she could definitely say that it was the best Conference she had attended this year. She then gave a splendid paper on "Women's Part in Building of a Nation."

The whole proceedings were diversioned by instruments by Mrs. Duke of Ruphy, song by Mrs. H. Hermansen, Didsbury, a reading by Mrs. Henders of Carslairs, and ten little girls from Miss Sessmuth's class at the school gave a dance and a song, all of which it is needless to say were very much appreciated.

The Conference then ended with election of officers as follows:

Convener, Mrs. Hugel; Assist-

Con. Mrs. E. Parker; Sec-Treas. Mrs. R. P. Crosland; Agriculture, Mrs. Fuller; Education and Better Schools, Mrs. Fulton; Child Welfare and Public Health, Mrs. Hughes; Household Economics, Mrs. P. R. Reed; National Events, Mrs. Robertson; Legislation, Mrs. Henders; Publicity, Mrs. Boyce; Immigration, Mrs. Pearson.

Mrs. Boyce on behalf of the Carslairs Institute invited the Conference to meet at Carslairs next year. Mrs. Hugel in convener accepted.

The Conference then closed with the singing of "God Save the King," after which tea was served.

JUTLAND

No doubt the readers of the Pioneer were wondering what had happened to the Jutland correspondent for not having been heard of for so long. Nevertheless we're all here yet, experiencing good health but hard times.

A Hallowe'en party was held in the school, all kinds of games, Hallowe'en jokes and apple eating contests were enjoyed. The kiddies were all dressed in various costumes.

Mr. and Mrs. Ed. Liesemer and children, Mill Troxell, and Mrs. Wm. McCaig were week end visitors at Calgary.

Harold Metz, oldest son of Mr. and Mrs. Geo. Metz is at present in the Hospital suffering with typhoid fever. Latest reports state that Harold is doing nicely. We wish him speedy recovery.

The prayer meeting last Wednesday at the home of Ed. Liesemer, Rev. K. Kieckhefer, pastor of the Nazarene church, conducted the meeting which was very much enjoyed by all present. The prayer meeting this week on Thursday evening at 8:30, at the home of Mrs. McMillister, the following week at Ingle McEans. Everybody welcome.

Mrs. McCaig of Edmonton who has been visiting with Thomas McCaig, Rankin Walsh and Ed. Liesemer for two weeks has returned to her home.

The auction sale at Berreeves went fairly well considering the hard times and the cold day we had. The house of course went cheap as usual. T. A. Hunter was the main horse buyer, he bought three fine young horses for \$25 each.

Curers Meet for BUSINESS

(Continued from page 1)

was very strongly voted against and dropped. It was then suggested that a collection of 25¢ be taken up from the members to pay damages, this also was voted down and finally the question was left standing as it was with the \$15 from the Club funds paying the damages.

Several minor subjects were then discussed among them being the idea of putting up trophies or some such trophy for championship until such time as the Club could afford a shield. It was stated that the Mitchell Cup which was destroyed by fire in Innisfail last spring was being replaced by the Innisfail Club. A vote of thanks was then moved to Mr. Alex. Guy for his numerous helpful services during the past and to Messrs. Julien and Bar-

ney of the Rosedale Cafe for the use of their dining room as a meeting place.

The election of officers for the ensuing year then took place in which Mr. A. G. Studer was re-elected Patron, E. E. Freeman was unanimously re-elected President, A. Campbell re-elected Vice-Pres., A. C. Fisher Secretary-Treasurer with Messrs. Brusso and Thompson as Schedule Committee and Messrs. Clarke and Austin Membership Committee. After a long day discussion on the fee it was decided that 5¢ was as low as they could make it and incur expenses. Owing to considerable dissatisfaction along certain lines last year several former members have stated their intentions of not joining up this year and this together with some having moved away will tend to bring the membership considerably lower unless new members are secured.

It was decided to have a number of the rocks reground and o'try and get ten pairs shipped to Calgary for that purpose in order to get a reduced rate. The matter of joining the Royal Legion Club was brought up and it was found that they are trying to raise their fee from 25¢ to \$1.00 per capita which did not meet with any enthusiasm from the Club. The list was then started for the naming up of members for the coming year and the majority of those present signed up. The meeting then adjourned.

A Hallowe'en party was held in the school, all kinds of games, Hallowe'en jokes and apple eating contests were enjoyed. The kiddies were all dressed in various costumes.

Mr. and Mrs. Ed. Liesemer and children, Mill Troxell, and Mrs. Wm. McCaig were week end visitors at Calgary.

Harold Metz, oldest son of

Mr. and Mrs. Geo. Metz is at present in the Hospital suffering with typhoid fever. Latest reports state that Harold is doing nicely. We wish him speedy recovery.

This is but one example of what the Red Cross has done on many occasions and stands ready to do whenever an opportunity affords itself. In Alberta, like Ontario, a disaster and emergency service has been organized to furnish immediate assistance to all districts in the event of an epidemic or a disaster. Nurses have been enrolled for first aid service and disaster kits and first aid appliances are available so that an immediate response can be given in case of a disaster of any kind, no matter in what part of the province it might occur.

YOU GET

THE AMOUNT OF THAT CHEQUE

We have made arrangements with the E. H. Heath Co. Limited who publish the CANADIAN POWER FARMER whereby we are able to offer that farm magazine together with our own weekly at the one price for both papers.

THE CANADIAN POWER FARMER is West- ern Canada's largest farm magazine. It is published twice yearly which means that it is thoroughly established throughout the West. It deals with the agricultural side of the farm, every week in full detail, helping and ex- plaining the operation of all kinds of farm machinery from a threshing-machine to a tractor. Its editorial staff consists of men thoroughly familiar with every branch of agriculture and the theoretical stand- point. Every month the magazine publishes experiences sent in by readers. Many of these are short findings that are real money makers in farming.

This offer may be withdrawn at any time. Without doubt your intention is to renew for this weekly, then why not take advantage of this offer? Subscribing to the Cressman Bros. weekly with the CANADIAN POWER FARMER for the same price as this weekly alone. This is where you get the \$1.50.

Mail your cheque or drop into our office the first time you're in town.

Cross
Needs
You.

It is your privilege as men and women—it is your duty as citizens

TO JOIN THE RED CROSS

The Red Cross knows neither race, creed nor boundary. It stands for the brotherhood of humanity—it is the universal emblem of Mercy.

Alberta Needs Red Cross as

Never Before

To relieve suffering, to aid the sick, to care for soldiers and their dependents—to cope with disaster, be ready for emergencies—to promote good health and better living conditions—to extend the work of establishing rural hospital and nursing services—care for blind, crippled and suffering children. Every Child Should be a Member of the Junior Red Cross.

Junior Red Cross.

Every dollar subscribed to the Junior Red Cross is used to help and care for helpless cripples, blind and disabled children. Let your little son and daughter proudly point to their Red Cross membership button. Junior membership Twenty-five Cents.

Your Duty is Plain, You Cannot Refuse

Membership \$1.00

If by chance the volunteers overlook you, send in your subscription to:

The Provincial Secretary,
Red Cross, Calgary.

Receipt and membership button will be forwarded to you.

Enrollment Week, Nov. 5 to 12
A CRUSADE FOR GOOD HEALTH

BE PREPARED

AROUND THE TOWN

Next Monday is Thanksgiving Day. All business places in town will be closed.

The next meeting of the Zetla local U. F. A. will be held on the night of November 17th. Topic for discussion: "What is wrong with the U. F. A." Come everybody and find out.

Mr. B. Mols, who arrived from the old country a short time ago, was a visitor in Didsbury with Mr. H. Beckner a few days ago. Mr. Mols is a violinist and will accept pupils for violin instruction. Apply to Mrs. A. G. Studer.

Mr. John Bellamy of Salmon Arm B. C. has a bumper crop of potatoes in his garden which would be hard to beat. One potato weighed 6 lbs., was 27 in. in the long way round and 20 in. the other. Come to Salmon Arm if you want to see big potatoes.

The Trail Rangers under the leadership of Mr. W. Miller entertained a number of their young lady friends at a party in the basement of the public school on Friday night last. Needless to say that "A Good Time Was Had."

The W. C. T. U. will hold their regular meeting at the home of Mrs. Dengis, on Thursday, November 9th at 3 p. m. Subject for this meeting: "Confidential Relation between Mothers and Daughters," taken by Mrs. Helm. All ladies are invited to attend.

A chicken supper is being given on November 10th in the Opera House, by the Mountain View and Didsbury Women's Institutes followed by a short program. Joseph Shaw M. P. will be the speaker. Everybody welcome. Admission, children 25¢, adults 50¢.

No snow yet. The balmy days of California are no inducement to our people this year to migrate to warmer climates. The month of October in Alberta has been splendid and the light rains which have fallen and soaked in should put a little encouragement into the farmer's heart. A day or two last week had the tang of winter in them but the month has been on the whole very mild and warm.

A very delightful 500 party was given at the home of Mr. and Mrs. H. Bennie on Thursday evening last. Didsbury's younger society was there in full force and the cards were very much enjoyed by all. At about twelve a dainty lunch was served by the hostess after which prizes were given to Mrs. J. H. Lowry a beautiful cup and saucer, and to Mr. J. Pavey, a

Closing Out Millinery Sale

I am closing out my entire stock of fall millinery, commencing Friday, November 2nd, and each following Friday for the rest of the month.

All Hats at Reduced Prices.

Mrs. H. W. Curry
at the Studer Furniture Store.

deck of cards in a French Ivory case. Miss Lydia Mueller also won the extra prize, which terminated an enjoyable evening.

A surprise party was held at the home of Mr. and Mrs. Lehigh on Saturday night, October 28th, in honor of their son Leonard who is leaving for Calgary to take up work and attend night school with the object of taking up civil service. Everybody both old and young had a

good time and we wish the young man success in his new undertaking.

WANTED:—At once. Girl or middle aged lady for general housework. Apply P. O. Box 178.

1p 13

TO LET:—Furnished bedroom, furnace heated, electric lights, and board. Apply Mrs. Curry. 2p 13.
